

Supercal Pro[®] Liquid

Highly Bioavailable & Rapidly Utilized Calcium

Advanced calcium support for strong bones,
productive livestock & healthy skeletal function

Calcium Support for Livestock

Supercal Pro provides highly bioavailable liquid calcium with Vitamin D3 to support efficient calcium absorption and utilization. It helps maintain strong bones and teeth, supports normal muscle and nerve function, and contributes to healthy skeletal development and performance.

**STRONG
BONES & TEETH**

**PRODUCTIVE
LIVESTOCK**

**SUPPORTS
SKELETAL FUNCTION**

**IDEAL FOR
MULTI-SPECIES USE**

Benefits

- **Corrects Calcium Deficiency:** Effectively restores calcium levels in cows at any stage of deficiency.
- **Enhances Milk Quality and Yield:** Supports improved milk production, quality, and reproductive efficiency.
- **Prevents Milk Fever:** Helps prevent hypocalcemia (milk fever) in lactating and periparturient cows.
- **Strengthens Bones and Joints:** Promotes strong bone structure and prevents lameness and joint issues.
- **Protects Against Metabolic Disorders:** Prevents rickets, osteomalacia, and calcium-related metabolic imbalances.
- **Supports Growth in Calves and Heifers:** Ensures optimum skeletal development and healthy growth.
- **Boosts Immunity and Herd Uniformity:** Enhances immune response and supports uniform development across the herd.

Composition

 Each 100 ml Contains
